

RED PINE FINALS @ OTTER CREEK FARM (September 25 - 27, 2026)

RED PINE FINALS for all Red Pine Year-end Divisions

The **top six Red Pine members** in each division, based on year-end points following the **Carriage House Farm August Red Pine Show** (standings posted on or about **September 1, 2026**), will qualify for the **Red Pine Finals** at **Otter Creek Farm**.

During the Finals, the six qualified riders in each division will compete head-to-head. Scores from the **second over fences class** in their respective division will determine the **Red Pine Finals Champion**.

How to Participate

1. Check the Red Pine year-end standings after the Carriage House Farm August show points are posted. If you are ranked in the **top six** in your division, you have qualified!
2. When registering for the Otter Creek Farm show in Horse Spot, be sure to enter the **Red Pine Finals Companion Class** for your qualified division. The entry fee is **\$15 per division**.

Please note: The **Red Pine Finals Champion** and the **Red Pine Year-End Champion** may be different. The Finals Champion is determined by the head-to-head competition at Otter Creek Farm, while the Year-End Champion is based on the final season point totals.

Be sure to enter the Finals class if you are qualified
